

# All That Remains, Forever in your hands

I know that I can stand my head high  
Forget Not Where I Fall  
Still I Find Why and Reason  
Yet That Conflict Still Filling Me  
Mistrust Venom Inside Of Me  
I Am Not The Man That You See  
Just Look Inside Me  
Trust In Me The Way I Trusted You  
I Know We Could Have Done This Together  
If You Believed In Me Like I Believed In You  
My Heart Would Be Forever In Your Hands  
How I Miss February Still  
Now That This Becomes The Moment  
Of All Our Failures  
Yet That Conflict Still Filling Me  
Mistrust Venom Inside Of Me  
I Am Not The Man That You See  
Just Look Inside Me  
Trust In Me The Way I Trusted You  
I Know We Could Have Done This Together  
If You Believed In Me Like I Believed In You  
My Heart Would Be Forever In Your Hands  
Trust In Me The Way I Trusted You  
I Know We Could Have Done This Together  
If You Believed In Me Like I Believed In You  
My Heart Would Be Forever In Your Hands  
Forever in Your hands...
