

# All Time Low, Walls

Hey there it's good to see you again  
It never felt like calling this just friends  
I'm happy if your happy with yourself  
Take off your shirt your shoes  
Those skinny jeans I bought for you  
We're diving in there's nothing left to lose  
I'm gonna break down these walls (down these walls)  
I built myself  
I wanna fall so in love (so in love)  
With you and no one else  
Could never mean half as much to me as you do now  
Together we'll move on just don't turn around  
Let the walls break down  
I used to weigh you like a ball and chain  
I'd run and hide at the call of my name  
It was obvious you were too much for me  
oblivious  
I was young and horney  
In retrospect I would do it again  
Stop talking shit to every one of your friends  
I'm not the same boy you knew back then  
Cause I could break down these walls (down these walls)  
I built around myself  
I wanna fall so in love (so in love)  
With you and no one else  
Could never mean half as much to me as you do now  
Together we'll move on just don't turn around  
Let the walls break  
I can't breathe  
My bodys shaking  
You've got a way with the way you take me  
Cause you break me down  
Yeah you know you break me down  
I'm gonna break down these walls (down these walls)  
I built around myself  
I wanna fall so in love (so in love)  
With you and no one else  
Could never mean half as much to me as you do now  
Together we'll move on just don't turn around  
Let the walls break down  
Let the walls break down  
Cause you break me down  
Let the walls break down
