

All Time Low, Weightless

Manage me I'm a mess
Turn a page, I'm a book
Half unread
I wanna be laughed at
Laughed with, just because
I wanna feel weightless
And that should be enough
Well I'm stuck in this fucking rut
Waiting on a second hand pick me up
And I'm over, getting older
If I could just find the time
Then I would never let another day go by
I'm over, getting old
Maybe it's not my weekend
But it's gonna be my year
And I'm so sick of watching while the minutes pass as I go nowhere
And this is my reaction
To everything I fear
Cause I've been going crazy I don't want to waste another minute here
Make believe that I impress
That every word
By design
Turns a head
I wanna feel reckless
I wanna live it up, just because
I wanna feel weightless
Cause that would be enough
If I could just find the time
Then I would never let another day go by
I'm over, getting old
Maybe it's not my weekend
But it's gonna be my year
And I'm so sick of watching while the minutes pass as I go nowhere
And this is my reaction
To everything I fear
Cause I've been going crazy I don't want to waste another minute here
This could be all that I've waited for
(Waited, I've waited for)
And this could be everything
I don't wanna dream anymore
Maybe it's not my weekend
But it's gonna be my year
And I've been going crazy
I'm stuck in here
Maybe it's not my weekend
But it's gonna be my year (it's gonna be my year)
And I'm so sick of watching while the minutes pass as I go nowhere (go nowhere)
And this is my reaction
To everything I fear (everything I fear)
Cause I've been going crazy I don't want to waste another minute here
