All Time Low, Weightless

Manage me I'm a mess

Turn a page, I'm a book

Half unread

I wanna be laughed at

Laughed with, just because

I wanna feel weightless

And that should be enough

Well I'm stuck in this fucking rut

Waiting on a second hand pick me up

And I'm over, getting older

If I could just find the time

Then I would never let another day go by

I'm over, getting old

Maybe it's not my weekend

But it's gonna be my year

And I'm so sick of watching while the minutes pass as I go nowhere

And this is my reaction

To everything I fear

Cause I've been going crazy I don't want to waste another minute here

Make believe that I impress

That every word

By design

Turns a head

I wanna feel reckless

I wanna live it up, just because

I wanna feel weightless

Cause that would be enough

If I could just find the time

Then I would never let another day go by

I'm over, getting old

Maybe it's not my weekend

But it's gonna be my year

And I'm so sick of watching while the minutes pass as I go nowhere

And this is my reaction

To everything I fear

Cause I've been going crazy I don't want to waste another minute here

This could be all that I've waited for

(Waited, I've waited for)

And this could be everything

I don't wanna dream anymore

Maybe it's not my weekend

But it's gonna be my year

And I've been going crazy

I'm stuck in here

Maybe it's not my weekend

But it's gonna be my year (it's gonna be my year)

And I'm so sick of watching while the minutes pass as I go nowhere (go nowhere)

And this is my reaction

To everything I fear (everything I fear)

Cause I've been going crazy I don't want to waste another minute here
