

All Together Seperate, Truth About God

All Together Seperate
All Together Seperate
Truth About God

Chorus:

I found the answers
You need are you listening?
I'll tell you the truth about God
My eyes haven't seen Him
These hands never touched Him
I've never seen the wind
But I felt the breeze today
I don't know where it came from
And I don't know where it went
But this kite can't deny it's in the sky

Just like a lost man
Stumbling through the scorching sand
With flashes and mirages all around
The sun is going down
And everything he's found
Has left him further out than when he began

Bloody are his fingers
And sweat drips from his brow
He's got it in his mind
That, digging deeper, he will find
Satisfaction in the sand
dripping from his hands
But you don't hear me
