

# All, Vida Blue

All  
Miscellaneous  
Vida Blue

Lyrics And Music By Karl Alvarez  
I'm Feeling Cold Today  
Frozen To The Core  
I Need Some Inspiration To Pull Me From The Floor  
Take Me Down The Road  
To A Place I've Never Been Before  
Open Up My Eyes  
Show Me Colours That I've Never Seen  
Open Up Your Mouth Give Me Perfect Words I've Never Heard  
I'm Ready Now Lets Go  
Burn My World A Southpaw Curve  
Fast And Hard  
Like Vida Blue  
I've Lived A Lot Of Every Place No Where I'd Call Home  
The Look In Every Strangers Face  
Tells Me I'm Alone  
Take Me Down The Road  
To A Place I've Never Been Before  
Open Up My Eyes  
Show Me Colours That I've Never Seen  
Open Up Your Mouth Give Me Perfect Words I've Never Heard  
I'm Ready Now Lets Go  
Burn My World A Southpaw Curve  
Fast And Hard Like Vida Blue  
Take Me Down The Road  
To A Place I've Never Been Before  
Open Up My Eyes  
Show Me Colours That I've Never Seen  
Open Up Your Mouth Give Me Perfect Words I've Never Heard  
I'm Ready Now Lets Go  
Burn My World A Southpaw Curve  
Fast And Hard Like Vida Blue
