

All Wound Up, Bittersweet

I Cant Forget Your Smile These Days
I Miss You So Much
But Im Here Youre There Now
I Cant Forget Your Tender Smile
Smilings Enough
To Bring Me Home Again

If I Had One Wish
Youd Be Here With Me
So Please Dont Forget
This Trips Bittersweet
Ill Write Home Soon

I Cant Forget Your Smile These Days
Smilings Enough
To Bring Me To My Knees

If I Had One Wish
Youd Be Here With Me
So Please Dont Forget
This Trips Bittersweet
Ill Be Home Soon
Home Soon

I Cant Forget Your Smile
Havent Seen It In A While
But Im Here Youre There Now
The Days Are So Slow Now
