

# Allan Gary, I'll Take Today

Allan Gary  
It Would Be You  
I'll Take Today  
(Kent M. Robbins/Will Robinson)

Yeah, she's the one  
The one I told you all about  
Yeah, it was serious, but it was long ago  
She just might walk over here  
And give me a kiss for old times  
But don't you worry dear  
Old times, next to you, can never come close

I'll take today over yesterday, anyday  
I'll take lyin' in your arms tonight  
Over and above any love, I've known  
Memories may find me, but they'll always be behind me  
I'll take today over yesterday, anyday

I'd be lyin' if I tried to tell you now  
That I never loved her  
And she doesn't ever cross my mind  
But that was yesterday, and baby, I don't wanna go back  
Here is where I'm gonna stay  
With you in each tomorrow of my life

I'll take today over yesterday, anyday  
I'll take lyin' in your arms tonight  
Over and above any love, I've known  
Memories may find me, but they'll always be behind me  
I'll take today over yesterday, anyday

Memories may find me, but they'll always be behind me  
I'll take today over yesterday, anyday
