

Allan Gary, Lovin' You Against My Will

Allan Gary
Smoke Rings In The Dark
Lovin' You Against My Will
(Jamie O'Hara)

I don't wanna hurt nobody
Don't wanna make nobody cry
I don't wanna do wrong, I don't wanna do wrong
I don't wanna tell no lies
I'm lovin' you, lovin' you against my will
Lovin' you, lovin' you against my will

I don't wanna hear the phone ring
Don't wanna hear your voice on the line
I don't wanna come to you, I don't wanna come to you
I don't wanna give in this time
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river
Pullin' me out to sea
The harder I try to resist you
The weaker I seem to be

I don't wanna turn down your side street
I don't wanna pull in your drive
Don't wanna see you standin' there, don't wanna see you standin' there
Don't wanna see that look in your eyes
Girl, I'm lovin' you, lovin' you against my will

Your love is like a deep dark river
Pullin' me out to sea
The harder I try to resist you
The weaker I seem to be

I don't wanna feel your heartbeat
I don't wanna taste your kiss
I don't wanna call your name, I don't wanna call your name
I don't wanna want you like this
Girl, I'm lovin' you, lovin' you against my will
Lovin' you, lovin' you against my will
