

# Allan Gary, Wake Up Screaming

Allan Gary  
Used Heart For Sale  
Wake Up Screaming  
(Jim Lauderdale/John Leventhal)

Used to sleep through the night peacefully  
Not a care in the world got to me  
But now I lay me down to sleep  
I'm afraid of what I might see  
I wake up screamin` when your dream goes by

Used to feel like a man in control  
Unaware of the storm in my soul  
The sight of you took away my breath  
I wake up screamin` when your dream goes by

Now in this dream I'm in a room  
All dressed up just like a groom  
Watchin` shadows dance in the ledge  
Suddenly you then appear you whisper in my hear  
And I jump right over the edge

Just a dream that I seem to recall  
Can't you tell me which doctor to call  
Tell him please I'm not feelin too well  
Everynight I'm hearin` wedding bells  
I wake up screamin` when your dream goes by

I lay there in an ice cold sweat  
Sheets are torn and they're soakin` wet  
I wake up screamin` when your dream goes by  
I wake up screamin` when your dream goes by  
I wake up screamin` when your dream goes by
