

Allan Gary, What I'd Say

Allan Gary
Alright Guy
What I'd Say

Talkin to the mirror, whispering your name
It's just like you were here, you'd think I was insane
I hold these conversations, in the silence of my room
Rehearsing all the things I'd say should I run into you

How's it goin', might be what I'd say
Well you broke my heart ya know
or Looks like rain today
or God I've missed you
Since you went away
You're lookin' well
Or go to hell
Might be what I'd say

There's times I've been so angry I could put my fist right through the wall
And then there's times I've come so close
To givin' you a call
I love you and I hate you
All at the same time
And then I pray you'd come back to me
Before I lose my mind

How's it's goin', might be what I'd say
You broke my heart ya know
Or it looks like rain today
Or God I've missed you
Since you went away
You're lookin' well
Or go to hell
Might be what I'd say

Or maybe God I've missed you since you've went away
Your lookin' well
Or go to hell
Might be what I'd say
