## Allan Harris, The Very Thought Of You

The very thought of you And I forget to do The little ordinary things That everyone ought to do I'm living in a kind of daydream I'm happy as a king And foolish though it may seem To me that's everything The mere idea of you The longing here for you You'll never know how slow Those moments will go Till I'm near to you I see your face in every flower Your eyes in stars above It's just the thought of you The very thought of you, my love The mere idea of you And I forget to do The little ordinary things That everyone ought to do I see your face in every flower Your eyes in stars above It's just the thought of you The very thought of you, my love It's just the thought of you The very thought of you, my love
