

Allan Harris, Walkin' My Baby Back Home

Gee, it's great after bein' out late
Walkin' my baby back home
Arm in arm over meadow and farm
Walkin' my baby back home
We go long harmonizin' a song
Or I'm recitin' a poem
Owls go by as they give me the eye
Walkin' my baby back home
We stop for a while, she gives me a smile
And snuggles her head to my chest
We startin' to pet and that's when I get
Her talcum all over my vest
After I kinda straighten my tie
She has to borrow my comb
Once kiss then we continue again
Walkin' my baby back home
She's afraid of the dark so I have to park
Outside of her door till it's light
She says if I try to kiss her she'll cry
I'll dry my tears all through the night
Hand in hand to a barbecue stand
Right from her doorway we roam
Eats and then we continue again
Walkin' my baby, lovin' my baby
Walkin' my baby, I don't mean maybe
Walkin' my baby back home
