

Alle Farben, Please Tell Rosie (feat. YOUNOTUS)

Please tell Rosie, keep on dancing...

Even if the lights go out,
Even in the summer rain,
Even if the sun comes up,
Ooh, we keep on dancing, keep on...

Even if the lights go out,
Even if the road is long,
Even if our heart is broken,
We keep on dancing, keep on dancing...

Please tell Rosie,
I'm not gonna come back,
'til September
cause music is my best friend,

Once you tell her,
To water the flowers,
I wanted to remember,
Music is my best friend

Please tell Rosie,
I'm not gonna come back,
'til September
cause music is my best friend,

Once you tell her,
To water the flowers,
I wanted to remember,
Music is my best friend

Please tell Rosie, keep on dancing...

Even if the lights go out,
Even in the summer rain,
Even if the sun comes up,
Ooh, we keep on dancing, keep on...

Even if the lights go out,
Even if the road is long,
Even if our heart is broken,
We keep on dancing, keep on dancing...

Please tell Rosie,
I'm not gonna come back,
'til September
cause music is my best friend,

Once you tell her,
To water the flowers,
I wanted to remember,
Music is my best friend

Please tell Rosie,
I'm not gonna come back,
'til September
cause music is my best friend,

Once you tell her,
To water the flowers,
I wanted to remember,
Music is my best friend

Please tell Rosie,
I'm not gonna come back,
'til September
cause music is my best friend,

Once you tell her,
To water the flowers,
I wanted to remember,
Music is my best friend
