Into Oblivion

What wonders to unfold
We wonder what may be
Infinitely out of bounds
In a red tape lead lined society
Deceit
Concede
Confused
Abused
Not to think, not to hear
Descending destiny
Into oblivion
Not to see
Not to know
Blindfolded we are led,
Into oblivion
Pyramids nature's beast
Whence does our knowledge come forth?
Wisdom absorbed but not withheld
We become our own worst enemy
Not to think, not to hear
Descending destiny
Into oblivion
Not to see
Not to know
Blindfolded we are led,
Into oblivion
Evidence to be tried
But it is not to be told
What secrets are obscured,
From view, ever confused
Not to think, not to hear
Descending destiny
Into oblivion
Not to see
Not to know
Blindfolded we are led,
Into oblivion
