You Rhyme With Everything That's Beautiful

YOU RHYME WITH EVERYTHING THAT'S BEAUTIFUL

Allen Miller

You rhyme with everything that's beautiful,

With angels and moonlight, with heaven and stars,

With rainbow and roses and island guitars,

You are a perfect rhyme with all these things.

You rhyme with everything that's beautiful,

With summer, with springtime, with sunsets that glow,

I'm not a great poet, but this much I know,

You rhyme with everything that's beautiful
