

# Allison Iraheta, Scars

Did I say something stupid?&lt;br /&gt;  
There goes one more mistake&lt;br /&gt;  
Do I bore you with my problems?&lt;br /&gt;  
Is that why you turn away?&lt;br /&gt;  
&lt;br /&gt;  
Do you know how hard I've tried&lt;br /&gt;  
To become what you want me to be?&lt;br /&gt;  
&lt;br /&gt;  
Take me, this is all that I've got&lt;br /&gt;  
This is all that I'm not, all that I'll ever be&lt;br /&gt;  
I got flaws, I got faults&lt;br /&gt;  
Keep searching for your perfect heart&lt;br /&gt;  
It doesn't matter who you are&lt;br /&gt;  
We all have our scars, we all have our scars&lt;br /&gt;  
&lt;br /&gt;  
You said don't act like a child&lt;br /&gt;  
But what if it's a father I need?&lt;br /&gt;  
It's not like you don't know what you got yourself into&lt;br /&gt;  
Don't tell me I'm the one who's naive&lt;br /&gt;  
&lt;br /&gt;  
Do you know how hard I've tried&lt;br /&gt;  
To become what you want me to be?&lt;br /&gt;  
&lt;br /&gt;  
Take me, this is all that I've got&lt;br /&gt;  
This is all that I'm not, all that I'll ever be&lt;br /&gt;  
I got flaws, I got faults&lt;br /&gt;  
Keep searching for your perfect heart&lt;br /&gt;  
It doesn't matter who you are&lt;br /&gt;  
We all have our scars, we all have our scars&lt;br /&gt;  
&lt;br /&gt;  
Come on, just let it go&lt;br /&gt;  
These are things you can't control&lt;br /&gt;  
Your expectations, your explanations&lt;br /&gt;  
Don't make sense to me&lt;br /&gt;  
&lt;br /&gt;  
You and your alternatives&lt;br /&gt;  
Don't send me to your better fit&lt;br /&gt;  
Deep down I know what you need&lt;br /&gt;  
And I'm not sure that's what I wanna be, no, oh, no&lt;br /&gt;  
&lt;br /&gt;  
Take me, this is all that I've got&lt;br /&gt;  
This is all that I'm not, all that I'll ever be&lt;br /&gt;  
I've got flaws, I've got faults&lt;br /&gt;  
Keep searching for your perfect heart&lt;br /&gt;  
It doesn't matter who you are&lt;br /&gt;  
We all have our scars, we all have our scars&lt;br /&gt;  
&lt;br /&gt;  
Did I say something stupid?&lt;br /&gt;  
There goes one more mistake
