

Allison Moorer, Day You Said Goodbye

(Allison Moorer/Doyle Primm)

When the first hint of sunshine
Peeks between the window blinds
And the morning hits my pillow
The sweetest dream is left behind
I'd rather die than face a new day
'Cause I always wake to find
That I'm feeling just as lonely
As the day you said goodbye
Can you feel me reaching for you
In the middle of the night
What I'd give to hold you, darling
Within these arms of mine
Can you feel me reaching for you
In the middle of the night
What I'd give to hold you, darling
Within these arms of mine
All my heartache would be over
If my dream came true one time
Then I wouldn't have to live with
The day you said goodbye
Goodbye
Goodbye
Goodbye
Goodbye
