

# Allison Moorer, I Ain't The One

You're lookin' for someone  
Whose got it all to give  
You're lookin' for someone  
Who won't care how you live  
You're lookin' for someone  
Who won't need a love from you  
I ain't the one, I ain't the one  
I ain't the one, I ain't the one  
Lookin' for someone  
Dry your tears when you cry  
Lookin' for someone  
Turn his back each time you lie  
You lookin' for someone  
Who walk on when you walk by  
But I ain't the one, I ain't the one  
I ain't the one, I ain't the one  
I ain't the one who lets you do  
What you want to  
I ain't the one who sits still  
Let's you be untrue  
I ain't the one who know I am lovin' you  
No matter what you do  
I ain't the one, I ain't the one  
I ain't the one, I ain't the one  
I just keep lookin' further down the road  
Try to find yourself someone  
Who likes walkin' along  
Someone you play with  
And leave you dead by the road  
I ain't the one, I ain't the one  
I ain't the one, I ain't the one  
I ain't the one, I ain't the one
