

Allister, It's Just Me

Outside I stand so cold
I use to know how to get warm.
Sometimes you use to let me in, but I'm not so welcomed anymore.

(Bridge)
Why don't you recognize me?
Is it hard to see how much I've changed?
It's been a while, since you despise me.

(Chorus)
But take a look and you'll find out it's just me.
It's just me. It's just me, yeah.
The one who loved you, who held you tight.
It's just me. It's just me, yeah.
The one who loved you, who held you tight.
The one who like messed up that night.
It's just me.

Outside I stand alone
And you come and stand next to me.
Maybe now you'll let me in,
Because I'm not so messed up anymore.

(Bridge)

(Chorus X 2)
