

# Allister, Joy Boy

Sit down and take a listen a story that's my confession  
of how you came into my life I wasn't sure if I was ready,  
I didn't think you were here already six weeks before the estimated time, Mom and I were holding h  
who says it's now or never I wanna show the world you're here, you're here and as you and I walk  
we didn't think about the demands having fun and acting crazy, I love you my bouncing baby you c
