

Allister, Moon Lake Village

my girlfriend's moving in with a guy that i never met
he's 26 years old and she says that they're just friends
but i'm sick of playing games with her every time i see her
i'm thinking that this is just ridiculous

because she's moving in tomorrow

my girlfriend's moving in with a guy that i never met
he's 26 years old and she says that they're just friends
but i'm sick of playing games with her every time i see her
i'm thinking that this is just ridiculous

because she's moving in tomorrow

she dosen't see
that she's losing me

because she's moving in tomorrow
