Yeah --- sad eyed woman
Boogie 'til the break of dawn
Yeah --- long a-bout the break of day --- yeah
Oh--- your man has up and gone---

You got 13 lovely children
No proud father knocking at your door
Yeah--- but every hungry woman
Has been in your place before

Yeah --- the doctor keep calling
Woah -- found you'd fall-en
[alternate lyrics: found you bawlin']
Yeah -- you backed him in the corner
Oh --- you're doing what you wanna

You got 14 lovely children
No proud father knocking at your door
Yeah--- but every hungry woman
Has been in your place before

*** guitar solo ***

You got 15 lovely children
No proud father knocking at your door
Yeah--- but every hungry woman
Has been in your place before

Yeah --- the doctor keep calling
Woah -- found you'd fall-en
[alternate lyrics: found you bawlin']
Yeah -- you backed him in the corner
Oh --- you're doing what you wanna

You got 16 lovely children
No proud father knocking at your door
Yeah--- but every hungry woman
Has been in your place before

Oh-- yeah
Sad eyed woman
Ohhhh
