

# Allrise, Premortem

You're all I got  
If someone's there listening  
See me through  
Help me please  
Stay with me  
I was always forced to come tough  
And thought that it was enough  
To know I'm still a good person  
Without a church to rehearse in  
Now I'm here and my tide is turning  
Tried it all, but nothing's working  
One shot- you're all I got  
You're all I got  
If someone's there listening  
See me through  
Help me please  
If someone's there listening  
Come on down  
Help me please  
What a waste, I know

Please protect me tonight  
I'm not prepared to die  
Thought that I'd be  
Thought that I'd be resigned  
Now I know it's not  
No it's not my time  
It's not my time  
It's not my time  
If someone's there listening  
See me through this  
Help me please  
If someone's there listening  
Come on down  
Help me please  
You were a confusing ghost  
I never figured out  
Now I got something I need  
To talk to you about  
What a waste, I know
