

Allstars, Gotta Get Thru This

(If only I can get thru this)
I just gotta get thru this
I just gotta get thru this
I gotta get thru this, I gotta get thru this
I gotta make it, gotta make it, gotta make it thru
Said, I'm gonna get thru this, I'm gonna get thru this
I gotta take, gotta take my mind off you
Give me just a second and I'll be all right
Surely one more moment couldn't break my heart
Give me 'til tomorrow then I'll be okay
Just another day and then I'll hold you tight
Well, your love is pouring like the rain
I close my eyes and it's gone again
When will I get the chance to say I love you?
I pretend that you're already mine
And my heart ain't breaking every time I look into your eyes
If only I could get thru this
If only I could get thru this
If only I could get thru this
God, God, You help me get thru this
I gotta get thru this, I gotta get thru this
I gotta make it, gotta make it, gotta make it thru
Said, I'm gonna get thru this, I'm gonna get thru this
I gotta take, gotta take my mind off you

Give me just a second and I'll be all right
Surely one more moment couldn't break my heart
Give me 'til tomorrow then I'll be okay
Just another day and then I'll hold you tight
Well, your love is pouring like the rain
I close my eyes and it gone again
When will I get the chance to say I love you?
I pretend that you're already mine
And my heart ain't breaking every time I look into your eyes
If only I could get thru this
If only I could get thru this
If only I could get thru this
(I just gotta get thru this)
God, God, You gonna help me get thru this
(I just gotta get thru)
If only I could get thru this
God, God, you gonna help me get thru this
(I just gotta get thru this)
If only I could get thru this
(I just gotta get thru this)
God, God, you gonna help me get thru this
(I just gotta, I just gotta)
If only I could get thru this
