

# Allstars, Hella Good (Warm Up: Prestretch)

The waves keep on crashing on me for some reason

But your love keeps on coming like a thunderbolt

Well, come here a little closer

'Cause I wanna see you, baby, real close up

(Get over here, get over here)

You got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

(Keep on dancing)

A performance deserving of standing ovations

And who would have thought it'd be the two of us

So don't wake me if I'm dreaming

'Cause I'm in the mood, come on and give it up

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

(Keep on dancing)

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

(Keep on dancing)

Ooh yeah, yeah

Ooh yeah, yeah

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

(Keep on dancing)

You've got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing

(Keep on dancing)

Keep on dancing

Keep on dancing
