Land Of Make Believe

Stars in your eyes little one

Where do you go to dream

To a place we all know

The land of make believe

Shadows tapping at your window

Ghostly voices whisper

Will you come and play

Not for all the tea in China

Or the corn in Carolina

Never, never ever

\* They're running after you babe

\*\* Run for the sun little one

You're an outlaw once again

Time to change

Superman will be with us while he can

In the land of make believe

Something nasty in your garden's waiting

Patiently 'til it can have your heart

Try to go but it won't let you

Don't you know it's out to get you

Running, keep on running

[Repeat \* , \*\*]

Your world is turning from night to day

Your dream is burning far, far away

Into the blue, you and I

To the circus in the sky

Captain Kidd's on the sand

With the treasure close at hand

In the land of make believe

In the land of make believe

[Repeat \*\* , \*\*]

(Run for the sun, run for the sun)

I've got a friend who comes to tea

And no one else can see but me

He came today, but had to go

To visit you

You'll never know
