

Allstars, One Day In Your Life

One day in your life, the love would remind you
How could you leave it all behind
One day in your life, gonna find you
With the tears that left me cry
And maybe I'm stronger than before
You gotta play it on the line
Maybe one day in your life
My love, did you think I'd break down
And cry this thing we had?
It meant the world to me, guess I was blind
It won't take much longer now
See time makes me stronger way
And I know you'll be coming 'round some day
One day in your life, the love would remind you
How could you leave it all behind
One day in your life, gonna find you
With the tears that left me cry
And maybe I'm stronger than before
You gotta play it on the line
Maybe one day in your life
You called me in the midnight hour
With your very lies
So many sleepless nights, I wonder
Is it time to say goodbye?
One day in your life, the love would remind you
How could you leave it all behind
One day in your life, it's gonna find you
With the tears that left me cry
And maybe I'm stronger than before
You gotta play it on the line
Maybe one day in your life
One day in your life, the love would remind you
How could you leave it all behind
One day in your live
