Give You All I Got

Yo, met this piece by the name of Sharise  
She had a fly 190 restin in Jones Beach  
You know when we kickin my everday cliché  
Yo boo, can I poly with you, what make my day  
She threw her chin up in the air, said yeah  
Your style is played out, black, like last year  
What do you mean huh? You know what I mean Dunn  
Callin me Dunn had me open like I was the one  
What did I have on God Guard or Clairborne  
You know you had that rugged type of shit on Raekwon  
Maybe I talk a bit, kick a few words and shit  
But you drove off in some Nissan phat shit  
Givin me bad looks, lookin like mad crooks  
If I was a purse downtown I would have been took  
Yeah from robsters, but you look like mobsters  
Smokin that weed had me nauseous like rastas

When we're together you blow my mind, uh huh  
You have that way about ya that keeps me satisfied (whatcha want)  
All I wanna do is give you all I got

Chorus:

If I give you all I got would you be there for me baby (all I got)  
And if I keep you close to me would you give me everything I need  
The way I want it to be (that's the way it should be)

I wanna be there for you boy in everyway  
I just gotta tell you how you take my breath away  
Ohh I wanna let you know  
When you walked into my life (walked into my life)  
I had this feeling you brought my world alive  
And I'm going crazy, my head is in a daze (head is in a daze)  
You amaze me, boy why don't you stay (boy why don't you stay)

Chorus

She's a fly fabulous bird from outta nowhere  
We bungalo dolo in logear, free parole the whole year  
Now acknowledge me God mentality, fly formality  
Cut out on me, I'm kidnappin half of your salary  
We movin like this, for real now shut down your will power  
Flower whatever you doin don't disrespect ours  
Slidin my work to the next man  
Still I'm givin you props now gets your karats on the nightstand

When you walked into my life (walked into my life)  
I had this feeling you brought my world alive  
And I'm going crazy, my head is in a daze (head is in a daze)  
You amaze me, boy why don't you stay (boy why don't you stay)

Chorus (2x)
