

# Allure feat. 112, All Cried Out (Duet With 112)

All alone on a Sunday morning  
Outside I see the rain is falling, oh  
Inside I'm slowly dying  
But the rain will hide my crying, crying, crying  
And you, don't you know  
My tears will burn the pillow?  
Set this place on fire  
'Cause I'm tired of your lie  
All I needed was a simple "Hello";  
But the traffic was so noisy  
That you could not hear me cry  
I gave you my love in vain  
My body never knew such pleasure  
My heart never knew such pain  
And you, you leave me so confused  
Now I'm all cried out  
Over you  
Cryin' over you  
Oh yeah, you, yeah, yes  
Never wanted to see things your way  
Had to go astray  
For why was I such a fool?  
(Why was I such a fool?)  
Oh, yeah  
Now I see that the grass is greener  
Is it too late for me to find my way home  
(Find my way home)  
How could I be so wrong?  
Leaving me all alone  
Don't you know my tears will cause an inferno  
(Tears will cause an inferno, baby)  
Romance of these flames  
Why should I take the blame?  
(Why should, why should I?)  
You were the one who left me neglected  
(So sorry, baby)  
Apology not accepted  
to the broken hearts you've collected  
I gave you all of me  
(Gave you all of me)  
How was I to know  
You would weaken so easily  
I don't know what to do  
(I don't know what to do)  
Now I'm all cried out  
(I'm all cried out)  
Over you  
I gave you my love in vain  
My body never knew such pleasure  
My heart never knew such pain  
(I never knew)  
And you  
You left me so confused  
Now I'm all cried out  
(All cried out)  
Now I'm all cried out  
(All cried out)  
(I'm so sorry, baby)  
Over you  
[Incomprehensible]  
Please forgive me, oh  
Please forgive me
