

# Ally Heman, Better

Don't let him touch you  
Don't let him anywhere  
Near your pretty little self  
He'll only mess up  
Everything you've worked for  
He won't be no help  
He'll say he does  
But he don't understand  
Don't you let him in  
'Cause they're all lies  
I see it in his eyes  
Look, you'll see it too  
But you're blind  
So use your mind  
Better's never better with him  
When he says life will be better  
If you come with me  
I'll give you everything you want  
And everything you need  
Don't believe it for a second  
None of it is true  
'Cause nothing will be better  
If he's stuck on you  
He won't admit it  
So don't even try  
To ask him about the truth  
'Cause all he wants is  
A little more than  
Just a little piece of you  
Don't give it out  
Just look what he's about  
If you can see it too  
But you're blind  
So use your mind  
Better's never better at all  
When he says life will be better  
If you come with me  
I'll give you everything you want  
And everything you need  
Don't believe it for a second  
None of it is true  
'Cause nothing will be better  
If he's stuck on you  
Whoa  
When he says life will be better  
If you come with me  
I'll give you everything you want  
And everything you need  
Don't believe it for a second  
None of it is true  
'Cause nothing will be better  
If he's stuck on you  
When he says life will be better  
If you come with me  
I'll give you everything you want  
And everything you need  
Don't believe it for a second  
None of it is true  
'Cause nothing will be better  
If he's stuck on you  
If he's stuck on you  
Oh  
If he's stuck on you
