Nasty Girl
Nasty girl nasty girl

Don't give me no surprises
'Cause you gotta stay so far from me
Now then I'm realize
I don't really want your sanity
Don't try to use your sweetness
Don't leave try to shake my hand
I'm happy with my madness
'Cause that's the only thing that I have

'Cause I'm a nasty girl
And I don't want nobody thinking about me
'Cause I'm a nasty girl
I don't wanna give you talking
Oh You will better walk away

Don't try to say you love me
Because I don't care about your needs
I had enough of you boy
Now that I'm young and wild and free
So why don't you save your sweetness?
Take a romantic word and go
Just sleep with my madness
'Cause that's the only thing that I know

Na na na na na...

So why don't you save your sweetness?
Just sleep with my madness

Nasty girl nasty girl...
