Ally McBeal Soundtracks
Ally McBeal Feat Vonda Shepard
serchin' my soul
ive been down this road walkin the lane,
thats painted by pride
and i have made mistakes in my life
that i just cant hide

oh i belive im ready
for what love has to bring
got myself together,
now im ready to sing

(Chorus)
ive bein searchin ma soul tonite
i know theres so much more to life
now i know i can shine a light
to find my way back home

one by one, the chains around me unwind
Every day now i feel that i can leave those years behind

oh i've been thinking of you
for a long time
there's a side of my life where ive been blind so.....

(chorus)
everythings gonna be alrite
(Chorus)

Baby ive been holding back now my whole life, ive decided to move on now
gonna leave all my worries behind

oh i belive i am ready for what love has to give, got myself together now im ready to live

(Chorus)
repeat till fade
