

Almadrava, A Mermaid's Tale

I have nobody for a conversation,
it might be pretty normal in my situation.
Im in the ocean, floating under burning sun,
completely alone and trying to find someone.
I hear a song, its like a prayer.
This melody shows me the way.
It carries me like the wind, a feather,
and in the nights its a shining ray.
Everytime louder, I can hear you sing your song.
I just hope Ill find you after so long.
Im nearly fainting, I go on the blink.
Its fun, so much water and not one drop to drink.
I hear a song
I still remember when I left the ship.
The ones I love, they were all asleep.
No-one believed me, cause they couldnt hear you,
they must be trying to find, where I was going to.
I heard a song, it was like a prayer.
This melody was sung for me.
It carried me like the wind, a feather,
and now I am drowning in the sea.
I hear a song, its like
