

# Almadrava, I'm Sorry

I know what it feels like,  
I've been through this before.  
You don't have to worry,  
better times will come.  
Go on looking forward,  
don't turn around.  
Stand up and walk on,  
this is not the end.  
I'm sorry about what happens,  
I'm sorry about what happens,  
You can count on me.  
I'm sorry about what happens,  
I'm sorry about what happens to you!  
I know it's not easy  
and neither should it be,  
The more that you want it,  
The harder it is.  
If you look around you,  
you'll see that we care.  
A friend is forever,  
if not, it's not a friend.  
I'm sorry
