

Almost Famous Soundtrack, Fever Dog

Fever dog
Scratchin' at my back door
I hear you howl
But I don't listen no more
Got a feeling
I could taste every hair
Of the fever dog
Come around again
Well, that would be the end
Of the fever dog
Fever dog
I take the dislikes today
I'm not surprised
Been beggin' now for two days
Got to spit it out
The taste of the hair
Of the fever dog
Come around again
Well, that would be the end
Of the fever dog
Got to spit it out
The taste of the hair
Of the fever dog
Come around again
Well, that would be the end
Of the fever dog
Scratchin' at my back door
