Song: Thunderclap Newman

Call out the instigators  
Because thereos something in the air  
Weove got to get together sooner or later  
Because the revolutionos here, and you know itos right  
And you know that itos right

We have got to get it together  
We have got to get it together now

Lock up the streets and houses  
Because thereos something in the air  
Weove got to get together sooner or later  
Because the revolutionos here, and you know itos right  
And you know that itos right

We have got to get it together  
We have got to get it together now

Hand out the arms and ammo  
Weore going to blast our way through here  
Weove got to get together sooner or later  
Because the revolutionos here, and you know itos right  
And you know that itos right

We have got to get it together  
We have got to get it together
