

# Aloe Blacc, Can You Do This

[Verse 1:]

Grab your shotgun  
Cock it back  
Shoot the sun until the sky is black  
Now I don't know if the sun got rhythm  
But he gone dance when that music hit'm  
Bang, bang, bang darkness falls  
In the nighttime I'm camouflage

[Pre-Chorus:]

Now I-I-I-I, don't know who you are  
But girl I wanna know if you can move like this  
And I-I-I-I, don't know if you gonna tell me  
But I wanna know what your name is  
And you-you-you-you  
Gonna make me fall in love with you  
If you keep on shaking your hips

[Chorus:]

Now can you do this  
(Yeah, I can do that)  
Can you do this  
(Yeah, I can do that)  
Can you do this  
(Yeah, I can do that)  
Can you do this  
(Yeah, I can do that)  
I know you think that you can move  
But can you groove the way I groove

[Verse 2:]

Grab your slingshot  
Find a stone  
Shoot the moon until the night is gone  
I sure hope that moon got rhythm  
Cuz he gone rock and when my stone hit'm  
Boom, boom, boom let me shine  
He should know that the day is mine

[Chorus:]

Now can you do this  
(Yeah, I can do that)  
Can you do this  
(Yeah, I can do that)  
Can you do this  
(Yeah, I can do that)  
Can you do this  
(Yeah, I can do that)  
I know you think that you can move  
But can you groove the way I groove

[Break:]

Do you wanna dance  
Cuz I wanna dance with you  
Do you wanna dance  
Come along and dance with me

[Bridge:]

Can you do this  
(Can you do this baby)  
Can you do this  
(Can yo move like I do)  
Can you do this  
(Can you shake it shake it mama)

Can you do this  
(Can you break it on down)

[Chorus:]

Now can you do this  
(Yeah, I can do that)

Can you do this  
(Yeah, I can do that)

Can you do this  
(Yeah, I can do that)

Can you do this  
(Yeah, I can do that)

I know you think that you can move  
But can you groove the way I groove
