

# Aloe Blacc, Other Side

We've been to walls we could't climb  
And we chased the light that made us blind  
But i know, we can walk this road  
One step at a time  
No matter how far no matter how wide  
Your hand i'll hold and you'll hold mine  
No matter how long no matter how tried  
And together we'll weather the storm  
It'll be alright
