

Alogia, What A Feeling

[cover]

["Flashdance" soundtrack])

First, when there's nothing
but a slow glowing dream
that your fears seems to hide
deep inside your mind
all alone i have gried
silent tears full of pride
in a world made of steel, made of stone
well a feeling, bein's believin
I can have it all, now I'm dancing for my life!
take your passion and make it happen
pictures come alive, you can dance
right through your life
now I hear the music,
close my eyes, I am rhythm
in a flash it take hold my heart
what a feeling (I am music now)
what a feeling (I am rhythm now)
I can have it all, now I'm dancing for my life!
what a feeling (I am music now)
what a feeling (I am rhythm now)
I can have it all, now I'm dancing for my life!
