

# Aloha From Hell, Don't Gimme That (Radio Version)

So its over and your heart is on the floor  
And you need a way to run and hide  
Now youre knockin on my door  
Tryin' to pick it up and save your pride

You can say it but Ive heard it all before  
How I never shouldve said Goodbye  
The one I still adore  
and how you never meant to make me cry

You are the one who let me down  
You are the one who fooled around  
Now Im your lost and found

Dont gimme that Aa-aah, aa-aah, aa-aah,  
Dont gimme that Aa-aah, aa-aah, aa-aah,  
Dont gimme that Aa-aah, aa-aah, aa-aah,  
Dont gimme that Aa-aah, aa-aah, aa-aah,  
Dont gimme that

Sorry really doesnt mean a thing  
When I cant believe a word you say  
Im not your puppet on a string  
Left aside until you want to play

You are the one who let me down  
You are the one who fooled around  
Now Im your lost and found

Dont gimme that Aa-aah, aa-aah, aa-aah,  
Dont gimme that Aa-aah, aa-aah, aa-aah,  
Dont gimme that Aa-aah, aa-aah, aa-aah,  
Dont gimme that Aa-aah, aa-aah, aa-aah

So its over and your heart is on the floor  
And you need a way to run and hide  
Now youre knockin on my door  
Tryin' to pick it up and save your pride

Aa-aah, aa-aah, aa-aah, Dont gimme that  
Aa-aah, aa-aah, aa-aah, Dont gimme that (gimme that, gimme that, gimme that)  
Aa-aah, aa-aah, aa-aah, Dont gimme that (gimme that, gimme that, gimme that)  
Aa-aah, aa-aah, aa-aah, Dont gimme that (gimme that, gimme that, gimme that, gimme, gimme, gi  
Dont gimme that (gimme that, gimme that, gimme that, gimme, gimme, gimme that)
