

# Aloha From Hell, Don't Hurt Yourself

You always take a different way  
Without facing consequences  
I wonder if your hide-away  
Has high fences  
Should I try and break those chains  
Get inside your deepest feelings  
The anger running through your veins  
Wont stop the bleeding  
Stop the bleeding  
Don't hurt yourself  
Don't hurt yourself  
Cause you are gorgeous  
Don't hurt yourself  
Don't hurt yourself  
No more  
I wish that I could understand  
The reason for your self-destruction  
Driven by your own demands  
Your seek distraction  
A moment and the pain is gone  
A feeling that is most relieving  
And this will keep going on  
Cant stop the bleeding  
Stop the bleeding  
Don't hurt yourself  
Don't hurt yourself  
Cause you are gorgeous  
Don't hurt yourself  
Don't hurt yourself  
No more  
Underneath  
The scars  
A life  
So young  
But the wounds  
Cant heal  
On anyone  
Don't hurt yourself  
Don't hurt yourself  
Cause you are gorgeous  
Don't hurt yourself  
Don't hurt yourself  
No more  
Oh-oh-oh  
Oh-oh-oh (Don't hurt yourself)  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh (Don't hurt yourself)  
Oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh  
You always take a different way  
Without facing consequences
