

Aloha From Hell, Walk Away (Album Version)

I can not do what I've done
I can not say what I've said
Can't take it back it's little late... now...
I didn't meant hurt you babe in anyway
All I want to do is walk away
Cause I don't wanna lie to you
Something in your eyes that screams don't go
But I just want to walk away
Cause if I'm stayed I'm gonna end up hurting you
And I don't wanna fake your heart... Baby...
It doesn't matter what I say
It doesn't matter what I'll do
Can't make it right here now I want to
I'm not gonna say that we're okay
I don't wanna lie
I should have told you long ago
What must going on
I should have told you my feelings where not that strong
All I want to do is walk away
Cause I don't wanna lie to you
Something in your eyes that screams don't go
But I just want to walk away
Cause if I'm stayed I'm gonna end up hurting you
And I don't wanna fake your heart... Baby...
I lived to life, it wasn't fair
I say goodbye because... because I care
I wish I knew what I'm supposed to do
I wish I could be there for you, to ease the pain
All I want to do is walk away
Cause I don't wanna lie to you
Something in your eyes that screams don't go
But I just want to walk away
Walk away
All I want to do is walk away
Cause I don't wanna lie to you
Something in your eyes that screams don't go
But I just want to walk away
Cause if I'm stayed I'm gonna end up hurting you
And I don't wanna break your heart... Baby...
I don't wanna break your heart...
