

Alpha Blondy, Jah Music

Music, music, music, music
Music, music, Jah music
Music, music, music, music
Music, music, Jah, Jah music
If you wanna be free, free, yeah
Dance to the reggae beat
Everyday, every way, all the way
It's irie, irie
It's irie, I say
It's irie, irie, I
It's irie, I say
If you wanna be free, free, young and old
Move to the reggae beat
Everyday, every way, all the way
It's irie, irie
It's irie, I say
It's irie, irie, I
It's irie, I say
Black and white them all like
They all say that this sound is right
This music is out of sight
Make you move and feel alright
Black and white them all like
They all say that this, sound is right
This music is out of sight
Make you move and feel alright
Alright, alright, alright, alright
It's irie, irie
It's irie, I say
It's irie, irie, I
It's irie, I say
Children, children, children, children of Israel
Black Jew, why don't you rise?
White Jew, I beg you rise
Black men heart beat, why don't you rise, now?
It's irie, irie
It's irie, I say
It's irie, irie, I
It's irie, I say
If you, if you wanna be, I say free
Know your history, know your history
Know your history, know your history
Know your history, know your history my people
You got to know your history
I say, 'Know your history'
It's irie, irie
It's irie, I say
It's irie, irie, I
It's irie, I say
