

# Alpha, Wishes

It's raining  
My mood is grey  
I would exchange  
Some sunny days

I lost the smile  
Lost the knack  
Lost my mind

Read my book  
Sin paid again  
Lost my concentration then

Lost the plot  
Lost the track  
Lost my mind

Won't come back  
Won't be back

It's raining  
My mood is grey  
I would exchange  
Some sunny days
