

Alphabeat, The Spell

I've been thinkin about you lately, you're on my mind
You do something to me baby in ways I cant define
Whatever youre doing, youre doing it well
What is your secret wont you please tell
Cause my head is spinning, spinning around
You light me on fire I won't let you down

Chorus

You put a spell on me I dont know what to do
Its an ability, that draws me closer to you
Your magic has got me where I want to be
Your magic is happening around me
There's a power within you baby, it's controlling me
I know there's no way to fight it, I'll let it be
Whatever youre doing, youre doing it well
What is your secret, wont you please tell
cause my head is spinning, spinning around
You light me on fire, I won't let me down

Chorus

You put a spell on me I dont know what to do
Its an ability, that draws me closer to you
Your magic has got me where I want to be
Your magic is happening around me
