

Alphaville, Burning Wheels

(Lyrics: Gold / Music: Gold-Mennicken)

I love to see your moves,
It's so devine you dance
I love to see your moves,
It's so devine you dance
When you're struttin' your legs
Ain't no gravity on this planet
When you're struttin' your legs
Ain't no gravity anymore
And I walk-walk-walk like an astronaut
With your Monroe-smile on the screen of my eyes
And every giant step I take
Melts the snow on the roof of the world
And the stars like burning wheels roll by
Burning wheels roll by
I'm the blossom's scent
Since you stick in my soul like a flower
I'm a blossom's scent
Since you're comin' on down like a shower
And my heart is a golden bell
I can't keep it from tolling
Yes, my heart is a golden bell
And I can't control it anymore
