

# Alphaville, Forever Young

Let's dance in style,  
Let's dance for a while  
Heaven can wait,  
We're only watching the skies  
Hoping for the best  
But expecting the worst  
Are you going to drop the bomb or not?

Let us die young or let us live forever  
We don't have the power  
But we never say never  
Sitting in a sandpit,  
Life is a short trip  
The music's for the sad men

Can you imagine when this race is won??  
Turn our golden faces into the sun  
Praising our leaders,  
We're getting in tune  
The music's played by the madmen

Forever young, I want to be forever young  
Do you really want to live forever  
Forever -- and ever

Some are like water  
Some are like the heat  
Some are a melody and some are the beat  
Sooner or later, they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Youth's like diamonds in the sun  
And diamonds are forever

So many adventures couldn't happen today  
So many songs we forgot to play  
So many dreams swinging out of the blue  
We'll let them come true

Forever young...
