

Alphaville, Jerusalem

(Gold-Lloyd-Echolette)

Standing on the empty bridge
Watching river's waves go by
Feeling mellow, lighting a cigarette
Silver moon floats through the night
Eris, princess of the isles
Disperse your sparkling traces
Lead me on to the house of love
Where the gods may turn my eyes
To Jerusalem we pray, it's time to meet you there
Let's take love to Jerusalem, oh yeah
Let's take love
You might be the one I'm waiting for
I think we've met somewhere for sure
Chasing shadows leaves you feeling blue
This situation needs a cure
New assassins, new messiahs
Keepers of the balanced law
Strangest lovers of the fire
Which ignates the halo of our souls
To Jerusalem we pray, it's time to meet you there
Let's take love to Jerusalem, oh yeah
Let's take love
Big yellow cadillac, carry me back home
On glory roads of pure delight
We head out for the stars...
