

# Alphaville, The Nelson Highrise Sector One

Time is fleeting  
You can't stop time  
Hearts are beating  
Cause there ain't no time

Dial that number  
Stories fly  
See their faces,  
Empty places

Uh, elevator  
Time goes by  
Uh, generator  
Love flies by good-bye, good-bye

Time is hurting  
But it ain't a crime

Someone's bleeding  
All the time

Too much tension  
In a second  
Just repeat it  
Cause I need it

Uh, elevator  
Indicator  
Accelerator

Uh, generator  
Turning on,  
Turning elevator on
